

ASUS ZenBook 14

Expand your creative vision

Creativity. Style. Innovation. These are the qualities that define the elegant new ZenBook 14. It's one of the world's smallest 14-inch laptops, and features the breathtaking frameless NanoEdge display and the exclusive NumberPad to give you the freedom to discover your creative power.

Unbounded beauty

Designed to give you more screen area in less physical space, the NanoEdge design has slimmer bezels on all four sides to make any visuals more immersive, with less distraction for your eyes. It also features wide-view technology for clear images even when viewed from extreme angles. ZenBook 14 has a crisp, clear, high-resolution display that makes any visuals look their best, with wide viewing angles and vivid, accurate colors.
